Looking to turn off or make changes to your confirmation emails?

You can stop them from sending by disabling the action. Simply click **Edit** and go to the **Logic** tab. Select **Yes** under **Disable Action**.

Below the tabs, there is a 'Logic Rule' section with a checkbox labeled 'Only show this action based on answers to previous questions or other logic conditions'. Below this, there is a 'Disable Action' section with two radio buttons: 'Yes' and 'No'. The 'Yes' radio button is selected, and this section is highlighted with a red box.
