To set your preferred theme, go to Account > Settings. Here you can see the default, Standard Theme or apply Custom Branding:

Q	Integrations	•	Default Application Theme	
₿	Account	•	For your theme to match the overall Account theme, select Account Defaults as your user setting.	Standard
	Summary		occury.	Formetry SurveyGame
	Settings		Theme branded login URL	https://app.alchemer.com/login/v1?c=722977
	User Management	>		Save
	Billing			Save

Theme branded login URL

If you are applying Custom Branding to your Alchemer account, the **Theme branded login URL** will need to be used by all users logging into your Alchemer account. Using this link will present users with a login page that has custom branded theme you design below and ensure that users see the customized branding in the application.

Theme branded login URL	https://app.	.com/login/v1?c=1
		Theme Branded Login URL

Logo

Specify a URL for your custom logo. This can be hosted in the Alchemer File Library if you wish.

Logo URL	//url
250 x 45px suggested
